
Notification of the Eastern Economic Corridor Policy Committee

Re: Designation of Special Targeted Industries in the Eastern Economic Corridor

For the attainment of the country industrial development to advanced technology application, innovation creation, and environmental friendliness, as well as for development of the country's competitive advantage and the country's encouragement to innovation-driven economy.

By virtue of the provision of Section 39 of the Eastern Special Development Zone Act B.E. 2561 (2018), it shall hereby prescribe the classification of special targeted industries in the Eastern Economic Corridor as follows:

Clause 1 The classification of special targeted industries comprises:

- (1) Next-generation automotive
- (2) Smart electronics
- (3) Affluent, medical and wellness tourism
- (4) Agriculture and biotechnology
- (5) Food processing
- (6) Robotics
- (7) Aviation and logistics
- (8) Biofuel and biochemical
- (9) Digital
- (10) Medical hub
- (11) National defence
- (12) Education and human resource development

Clause 2 The Eastern Economic Corridor Policy Committee shall have authority to revise, amend or repeal the classification of special industries and operations which involve or benefit the development of the aforesaid special targeted industries as appropriate.

This Notification shall come into force from the day of its publication in the Government Gazette.

Issued on the 24th day of April B.E. 2562 (2019)

Kanit Sangsubhan

Secretary-General of the Eastern Economic Corridor Policy Committee

Acting on the Behalf of

Chairman of the Eastern Economic Corridor Policy Committee
