
Notification of the Eastern Economic Corridor Policy Committee

Re: Qualifications of Applicants for Aircraft Production Certificate or Production Certificate for Aircraft Replacement Parts, or Applicants for Repair Station Certificate Operating in Special Economic Promotional Zones

B.E. 2561 (2018)

Whereas it is expedient to prescribe criteria for qualifications of applicants for aircraft production certificate or production certificate for aircraft replacement parts, or applicants for repair station certificate operating in Special Economic Promotional Zones.

By virtue of the provision of Section 60 of the Eastern Special Development Zone Act B.E. 2561 (2018), the Secretary-General of the Eastern Economic Corridor Policy Committee, with the consent of the Director-General of the Civil Aviation Authority under the law on civil aviation of Thailand, hereby issues the Notification as follows:

Clause 1 In this Notification:

“Secretary-General” means the Secretary-General of the Eastern Economic Corridor Policy Committee;

“Special Economic Promotional Zone” means the area in the Eastern Economic Corridor as prescribed and notified by the Policy Committee under Section 40 of the Eastern Special Development Zone Act B.E. 2561 (2018);

“Aircraft” means aircraft under the Air Navigation Act B.E. 2497 (1954);

“Critical Aircraft Appliance” means an engine, a propeller, and other appliances of an aircraft designated by the Director-General of the Civil Aviation Authority of Thailand under the law on civil aviation of Thailand;

“Repair Station Certificate” means a letter issued to a person certified to operate a maintenance business for Aircraft, Critical Aircraft Appliances, or technical standard order articles, including aircraft parts under Section 41/94 of the Air Navigation Act B.E. 2497 (1954) and amendments.

Clause 2 Applicants for aircraft production certificate or production certificate for aircraft replacement parts, or applicants for repair station certificate operating in Special Economic Promotional Zones shall possess the following qualifications:

- (1) Being a juristic person under Thai laws;
- (2) Having a branch office in the Kingdom of Thailand;
- (3) Having operating locations in the Special Economic Promotional Zone;
- (4) Setting objectives to produce Aircraft or Critical Aircraft Replacement Parts, or to be a Repair Station;

(5) Obtaining or being entitled to a certificate of aircraft type design or Critical aircraft appliance type design which request to produce (only in case of production);

(6) Having the capability to produce Aircraft and Critical Aircraft Appliances under approved design certificate, or having aircraft maintenance capability;

(7) Having quality control in production or maintenance.

Clause 3 In case of Clause 2, if the applicants for aircraft production certificate, production certificate for aircraft replacement parts, or repair station certificate have capital of person with Thai nationality less than 51 per cent, or in case the management power is under the person without Thai nationality; they shall submit an application to the Office together with the following information:

(1) Level of important technology necessary for the development of Thai aircraft industry;

(2) Plan for technology transfer and Thai personnel development.

Clause 4 The Secretary-General shall take charge hereof and shall have the power to contemplate and interpret problems about the implementation under this Notification.

This Notification shall come into force from the day of notification onwards.

Issued on the 14th day of August B.E. 2561 (2018)

Kanit Sangsubhan

Secretary-General of the Eastern Economic Corridor Policy Committee
